Barry Moline is a positive leader committed to helping you achieve at your highest level. In his successful 25 years as a CEO, he has seen many people struggle to collaborate and lead. Recognizing the widespread need to improve teamwork and leadership, Barry investigated and discovered the keys that best-practice organizations use to quickly collaborate and encourage staff to grow productive workplace relationships. He is eager to bring this valuable wisdom to your audience.

After 4 years of research, Barry wrote the award-winning book *Connect!*, where he shares the secrets to successful teamwork, communication and leadership. He's a columnist on Forbes.com and appears frequently in the media, including NPR, The New York Times, Washington Post, Authority Magazine and many more.

*"Barry did a phenomenal job showing our team how to connect and build more effective teams. Our staff is already using the principles and improving our employee engagement."*

- Julie Butenko, Regional Director, Windsor Healthcare

“Barry offers both the inspiration and skills to lead and succeed.”  
- Liz Joyner, Founder & CEO, The Village Square

## KEYNOTE TALKS

### LEAD AT EVERY LEVEL

Everyone can lead, and we need more leaders because they create organizations of action and success. Participants walk away as highly motivated leaders, taking responsibility for accomplishing their organization’s mission.

### BUILDING GREAT TEAMS

Barry shares the secrets successful organizations use to swiftly build great teams. When people learn more about each other — by sharing stories about their backgrounds and what’s going on in their lives — they begin to like each other, find common ground and work better together.
