

BARRY MOLINE

TEAMWORK ♦ COMMUNICATIONS ♦ LEADERSHIP

What if you could make your organization so great that people would not want to quit? Barry Moline has been a CEO for more than 25 years. In his career, he noticed some teams struggling with disastrous results, while others collaborated well and got top performance. Barry investigated and discovered the keys that best-practice organizations use to quickly work together and encourage staff to grow productive workplace relationships. He found that people don't leave organizations; they leave bad bosses and colleagues. After 4 years of research, Barry wrote the award-winning book **CONNECT!**, where he shares the secrets to successful teamwork, communication, leadership and high performance.

“BARRY OFFERS BOTH THE INSPIRATION AND THE SKILLS TO SUCCEED.”

UNQUITABLE: HOW TOP ORGANIZATIONS GET GREAT COLLABORATION WHILE OTHERS FACE THE GREAT RESIGNATION

We don't actually work for organizations. Wait... What? We are motivated to work for – and do a good job for – each other. When people learn more about one another – by sharing stories about their backgrounds and what's going on in their lives – they find common ground and begin to like each other. And when they know their colleagues better, they want to do a good job for the team. The results are better solutions, higher productivity, more creativity, and a workplace where people are challenged, they enjoy and don't consider leaving. Barry shares the secrets – and the specific actions – successful organizations use to swiftly build collaborative teams that get top-tier results.
