Barry Moline is a positive leader committed to helping you achieve at your highest level. In his successful 26+ years as a CEO, he has seen many people struggle to collaborate and lead. Recognizing the widespread need to improve teamwork and leadership, Barry investigated and discovered the keys that best-practice organizations use to quickly collaborate and encourage staff to grow productive workplace relationships. He is eager to bring this valuable wisdom to your audience.

After 4 years of research, Barry wrote the award-winning book *Connect!*, where he shares the secrets to successful teamwork, communication and leadership. He's a columnist on Forbes.com and appears frequently in the media, including NPR, The New York Times, Washington Post, CBS Saturday Morning, Authority Magazine and many more.

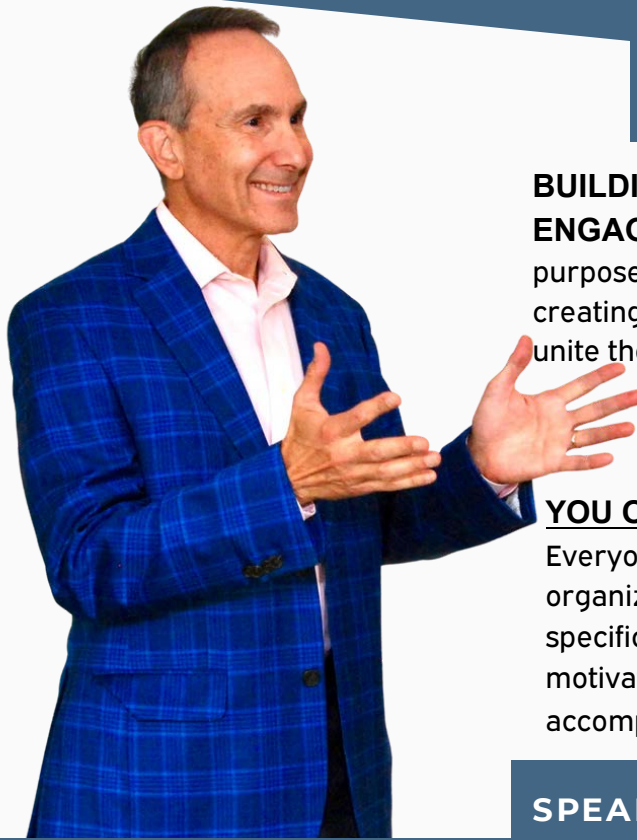

"Barry did a phenomenal job showing our team how to connect and build more effective teams. Our staff is already using the principles and improving our employee engagement."

- Julie Butenko, Regional Director, Windsor Healthcare

"Barry offers both the inspiration and skills to lead and succeed."

- Liz Joyner, Founder & CEO, The Village Square
